Under penalty of exclusion from the procedure, the following documentation has to be sent in order to participate to the competition:

a) Application form (Att.1) fully completed under applicant's own responsibility, dated and signed, indicating:

- surname and name, date and place of birth, citizenship, home address
- affiliation
- e-mail address
- provisional title and authors of the scientific contribution to be submitted to the "Italian lessons for Mediterranean architecture: Gardella, Menghi, Vietti" Conference
- selection of 3 possible Research Centers
- proposed period of stay (minimum 45 days, also divisible, possibly including the week of Congress attendance)
- research project to be developed at the hosting Italian Research Center

b) Curriculum vitae

c) List of scientific publications

d) Possible support letters (max 2)

e) Copy of a valid identification document

f) Declaration of authorization for the processing of personal data pursuant to Art. 13 of General Data Protection Regulation EU 2016/679

## **ART. 6 - Selection committee and evaluation criteria**

The selection will be undertaken by a Committee composed by three members, internal and external to the University of Parma, appointed by Department provision, which will carry out a comparative evaluation of the candidates, according to the following merit criteria, in agreement with ACRI:

- scientific career (CV);
- quality of developed research (publications);
- possible support letters (max 2);
- research project to be developed at the hosting Italian Research Center.

The maximum score attributable to each candidate is set at 100 points; eligibility is achieved with a minimum score of 60.

The Commission will define the related merit ranking of eligible candidates, indicating the winners of the research prize, i.e. the first candidates usefully positioned up to the total amount of ACRI funding. In the event of equal merit, the youngest candidate will prevail.

The Commission's judgment is unquestionable.

## **ART. 7 - Publication of the competitive call and final ranking; notification of results**

The competitive call, the attached application form and all the acts together with final ranking for awarding the YITP prizes will be published at: <https://dia.unipr.it/it/dipartimento/bandi-e-concorsi> and on the web site of "Italian lessons for Mediterranean architecture: Gardella, Menghi, Vietti" Conference [www.gardella-menghi-vietti.unipr.it](http://www.gardella-menghi-vietti.unipr.it)

The winners will be notified to their e-mail address indicated in the application form; in the aforementioned communication, the host institution will also be assigned to each winner.

**Failure to receive such documentation within the indicated terms will implicitly represent the rejection of the prize by the winning candidate and will result in the scrolling of the ranking of eligible candidates with an appropriate postponement of the terms for documents submission.**

## **ART. 9 - Duties of the winners and payment of the award; revocation of the prize**

The research activity of the winners must take place exclusively at the host Center following the provisions in force in the Research Center, also concerning health and safety at work.

The research award will be paid in the gross amount before the charges provided for by law, including those borne by the University Administration, once the winners have submitted the following documentation:

- **abstract of the talk given at “Italian Lessons for Mediterranean Architecture: Gardella, Menghi, Vietti” Conference**
- **certification, by the Research Center contact people, of the period of stay at the institution by the winner**
- **report of the scientific activity carried out at the host Research Center and of the results obtained in collaboration at the end of the monthly visiting period.**

The disbursement of the research award does not imply in any way an employment relationship either with the University providing the funds or with the host organization. The prize cannot be combined with other funds, conferred for any reason.

If during the research activity the conditions set for the awarding of the prize are no longer met, the researcher must immediately notify [protocollodipingegneriaarchitettura@unipr.it](mailto:protocollodipingegneriaarchitettura@unipr.it)

The award may be revoked in the following cases:

- subsequent renunciation of the winner
- agreed monthly period not completed
